

Renaissance 21 Private Art Lessons Policies

INTERESTS

Please let your instructor know if there is something specific you want to work on, or if you would like a lesson plan created specifically for the artist's needs.

STUDIO ETIQUETTE

Parents may drop off their student or stay during the lesson at the studio. We appreciate it if parents refrain from bringing siblings who are not taking the lesson because we do not have staff on-site to care for additional children during a lesson.

Arriving on time is appreciated as private lessons are scheduled every hour. If you're running behind schedule, please let us know as soon as possible by calling **(425) 209-5109**. If a student arrives late, their lesson will still end at its scheduled time.

Prompt pick up time is also appreciated as instructors often have a lesson beginning when one lesson ends, requiring adequate transition or travel time.

Instructors who come to your home are expected to arrive at scheduled time or call if complications arise. An instructor will wait 15 minutes maximum at your home if you are not there when scheduled. After 15 minutes, they will leave and you will be billed for that 1-hour lesson. If payment for the missed lesson is not paid by the time of your next scheduled lesson, your lesson time will be permanently given to the next person on our waiting list.
